VILLAGE DIRECTOR

Bundi State.

Published by Authority.

BUNDI,

Printed at Shri Rangnath State Press.

1941

## Note.

### COMPLIMENTARY

The information to be found in the following pages regarding the nature of tenure, number of dwelling houses, number of shops and the number of villages was collected at the time of compiling the Census House Block Register during October, 1940. But the population figures given in this Directory are those of the final enumeration. The literacy and illiteracy figures have not been given in this Directory because the Village Directory forms received from the Superintendent Census Operations, Rajputana, did not contain columns for giving these figures.

Unlike the Village Directory, Merwar, the population figures arrived at after sorting and have given, besides the population of the Hindus and the total population, the population of the Muslims and the Jains also. In these two respects, therefore, this Directory may be considered to be an improvement.

Bundi,  
Dated 14th November, 1941.
